

Blackburn Lake Wetlands Regeneration Update

Woody weed removal

Working bee weeds removed

The Blackburn Lake Wetlands Regeneration project is well underway

After removing weeds, we will plant 4,000 indigenous plants

Information update for the community

- Project aims recap
- What has been done to date?
- What are the aims for 2025 and 2026?
- How can you get involved in this exciting project?

You are invited to come along and find out more

All welcome!

Sunday 23rd February 2025 at 4 pm

Blackburn Lake Sanctuary Visitor Centre

Afternoon tea provided
